Area Agency on Aging District 8 www.areaagency8.org **800-835-8088 or 740-374-9436** **Buckeye Hills-Hocking Valley Regional Development District, 1400 Pike Street, Marietta, Ohio**

Description: Offers a variety of health related services for seniors. Office Hours: 8:30 am-4:30 pm

- Caregiver Advocacy Program provides free information and consultation to caregivers of individuals age 60+ or with dementia. Also provides options for respite care, case management services, and medical equipment; fees vary.
- Southeast Ohio Aging and Disability Resource Network (SE Ohio ADRN) hosts the Network of Care website which features an easy to use Service Directory of local agencies and organizations, a Health Library, a listing of Assistive Devices, and a free on-line electronic personal health record. The SE Ohio ADRN helps to streamline services and supports for older adults, people with disabilities and their caregivers. <http://seohioadrn.oh.networkofcare.org>
- Project Lifesaver provides a free rapid response search and rescue service designed for individuals who wander. Individuals must have 24/7 caregivers and wear a unit that is checked monthly.
- Passport Program provides in-home alternatives to nursing home care for qualified low-income older adults. Services include personal care, homemaker services and respite or adult day care.
- Senior Housing Program provides home assessment, home mobility modifications, and minor home repair services for seniors age 60+ with annual income at or below 35% of area median income.
- Long-Term Care Ombudsman Program advocates for quality care and negotiates for the solution of problems that arise between providers and consumers of long-term care services, including nursing homes.
- Assisted Living Waiver Program pays for a variety of assisted living services for older adults who are Medicaid eligible. All participants receive a Medicaid card to assist with physician visits, nursing services, and other services.

Call for more information about current programs, fees, eligibility, and intake procedures.
